

REMARKS

Formalities in regard to the Declaration and Continuing Data: The declaration was found defective because it listed the foreign application DE 19828114.5 and PCT/EP99/04381 together for claiming benefit under 35 U.S.C. 119(a)-(d). The PCT/EP99/04381 should correctly be claimed under 35 U.S.C. 120.

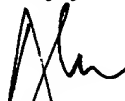

A new declaration is submitted with the correct statutory benefits claimed. Further, the continuing data paragraph has been amended to reflect the correct statutory sections from which benefit of filing dates are claimed. Accordingly, Applicants respectfully submit that the formalities have been corrected and the application is in condition for timely issuance.
